Moved by Mr. Wood, seconded

That this Court cannot separate, without recording their deep sense of the respect & estimation they feel for their Friend & late worthy Master, E. Wiggins Esq. and their regret that the State of his health, during the past Year, has been such as to prevent his affording to the Company, that full & efficient Aid he so anxiously desired. - And they beg to tender to him their sincere wishes that he may again be enabled, with comfort to himself, to take part in the proceedings of this Court in the kind & business-like manner, to which he has been so long accustomed. - Car. Unanim.
